# Youth Protection Training Update

- GGAC now requires that all registered adults 18 and over maintain YPT compliance for their **entire registration period**. As it is currently possible for YPT to expire during that period, this may require the adult to refresh their YPT training on an annual basis.
- Beginning June 1, 2021, all adults with expiring YPT certifications will have their registration revoked if the training is not completed by the end of the month in which the certificate expires.
